

HAVE YOU OR A VETERAN YOU LOVE EXPERIENCED A TRAUMA OR A VERY STRESSFUL EVENT?

You may be eligible for a research study to test a new couples therapy for trauma-related concerns. We believe that partnering with Veterans' significant others may provide a powerful method for helping Veterans get more out of their PTSD treatment.

QUALIFICATIONS:

- ◇ Must be 18 or older.
- ◇ Must have a significant other whom you've been in a relationship with for 6 months.
- ◇ Must be enrolled in VHA care.

COMPENSATION:

- ◇ Veterans will be paid up to \$425 for filling out surveys and answering questions during the study.
- ◇ Veteran's significant other will be paid up to \$245 for filling out surveys during the study.
